### TAKE SCHOOLING OFFLINE

With so much to explore, OCMD is a great place to take learning off-line and enrich your learning experience.

Here are a few ways to bring your learning to life:

#### HISTORY

- Take a field trip to the **OC Life-Saving Station Museum** to learn about the history of the U.S. Life-Saving service and check out exhibits of awesome artifacts chronicling life in OCMD. Our newest exhibit is *A Feminine Touch: The story of the women who had a hand in shaping a town.*

For details and hours: [www.ocmuseum.org](http://www.ocmuseum.org)

#### PHYSICAL EDUCATION

- Grab your bike, a pair of rollerblades or your sneakers and cruise down the **Boardwalk**.

- Visit **Northside Park** at 125th Street on the bay for a plethora of outdoor sports activities. Take a run along one of the great trails, or head over to the fields to play your favorite sport! It's like recess, but better!

- Find your zen and practice **yoga on the beach**.

- For those more-extreme athletes, the **Ocean Bowl Skate Park** is perfect for skaters of all levels!

#### ART

- Head to the **Ocean City Center for the Arts** to view a two-floor gallery or a local artisan's exhibit. You can even register for an art class sponsored by the Art League of Ocean City!

- Set up an easel or grab a sketchbook in your preferred spot to **paint or draw** one of your favorite OCMD scenes.

- Grab some **seashells on the beach to create jewelry**. You could even send some to your friends back home!

- It doesn't get much more photo-worthy than OCMD! Practice your photography skills by snapping pics of all of the beautiful views around town.

#### MATH

- For practical application of math skills, head to one of our many local **mini golf courses**. There, you can **add + subtract** as you keep score for your team!

- Did you know OCMD has more than 40 pizza places? Grab a pie for the **yummiest way to practice fractions!**

#### SCIENCE

- Swing by the **Delmarva Discovery Center** for some hands-on learning and interactive exhibits. Perfect for kids of all ages! [www.delmarvadiscoverycenter.org](http://www.delmarvadiscoverycenter.org)

- Head to **Assateague State Park** and discover secluded coves, abundant marshes and great beaches. You might even see wild horses and ponies roaming the island!

- Ocean City is surrounded by water and marine life. Drop a line from a boat, pier or the beach and be amazed by the different species you'll catch.

- Apply your knowledge of **physics** when you head to the beach to **fly a kite!** For any tools you might be missing, check out the offerings at The Kite Loft.

#### ENGLISH

- Get the imagination going and practice storytelling and writing skills by **crafting a short story** that takes place at everyone's favorite place - the beach!

- It's no secret that the beach is one of the **best places to read**. With nothing but the waves and ocean breeze to keep you company, you can be free to focus on the task at hand. So head for the sand and start cracking some spines!

- Visit some great bookstores only a hop, skip and a jump away in nearby Berlin.

#### FRIDAYS

**TRIMPER'S GREEN MARKET** 9am - 1pm South 1st Street  
Local fresh produce and agricultural products sold by vendors as a community event. This event will also have music provided. [www.TrimperRides.com](http://www.TrimperRides.com)
