From Executive Director, Susan L. Jones

Lots of great things are happening right now, starting with **Restaurant Week**, April 26-May 9. It's a great excuse to get out, support fellow members, and enjoy some amazing meals around OCMD. Our recent **Hospitality Huddle** on Workforce shared useful info; see slide deck link on page 3. The next Hospitality Huddle is May 13; see page 11. Our **Find-a-Kid** program is back and is a helpful tool for visitors & a great way for hotel members to show you care.

National Travel & Tourism Week (May 4–9) is right around the corner, celebrating the impact travel has on our economy and community. Be sure to check out the Toolkit on page 3 and join in thanking our visitors! We've added another **Nibble & Network** in May to help kick off the season, details are on page 7.

Weekday Smiles is back, too, and it's an easy (and free) way to boost business Sunday through Thursday. Allied members can also take advantage of some great "backyard vacation" deals. And as a reminder from last year's **Miles of Smiles and Smile Spotlight**, a little hospitality goes a long way. *Start each day with your team on a positive note...sometimes it's as simple as a smile.* 😊

PROGRAM

The "Find a Kid" program is a comforting service that hotels can offer to guests with young children. Already successfully launched last year, this program gives parents peace of mind, knowing there's a reliable system in place to help reunite them with their child quickly if they get lost.

OCMDHA will supply the first box with your property name, address, & phone number **at no cost to you.**

- *Hotels with more than 100 rooms will receive a box of 1000*

If the child is wearing a wristband & wanders away, here's what will happen:

1. If the OC Lifeguards or OCPD see a child wandering, they will first attempt to reunite the child with a parent.
2. If the parent cannot be located, the Beach Patrol will contact the hotel listed on the wristband. If necessary, the Police will escort the child to the hotel.
