FROM EXECUTIVE DIRECTOR SUSAN L. JONES

Are you ready - the season is upon us! Springfest will be the backdrop for the OC Tourism Season Kick-off this Thursday. There are many changes around town, lots of new faces and refreshed spaces. Now, let's pray mother nature provides us lots of sunshine for a successful season!

Last week, we installed our new Board of Directors and I know there will be fresh ideas, lively info exchanges, all guided by how we can best serve you, our members! Third-generation hotelier, Ryan Wilde will guide the next year for OCHMRA and he'll do a wonderful job as he's been raised in the business; his grandfather built many of the motels along "motel row" Baltimore Avenue. If you ever have a suggestion or criticism, bring it on, we welcome the feedback!

Thank you to our member restaurants who participated in Restaurant Week and to those of you who dined out and supported the economy! Let's continue that community support with DINE, STAY & PLAY United! Cheers to a great start of the season! 😊

Piezano's Pizza Evolves

In OC, it's an "all in the family" way of life. In 2001, Timur Unal's uncles Matt, Ozzy, and Kenny took over Piezano's Pizza at Dorchester Street. Ten years later, they opened the 7th Street location and now, Timur is pleased to announce his expansion of 7th Street to include a bar. Coming from a hardworking background, this family always thrived for the best and never minded the extra effort to reach the best versions of themselves. "Our guests know that our personalities are reflected in our work. It is our sincere belief that hygiene, consistency, and honesty is the most important aspect of our business," stated Timur. After spending years in the business the uncles have appointed Timur as the General Manager. With the help of his sister, Gamze Unal, his cousin, Cengizhan Unal, and close friends, Ahmet Ozdar and Ibrahim Aksut, he will strive to grow the business by keeping the highest quality.

Tips for the Trade

While we are awaiting a State Attorney General Advice Letter regarding employer protections as they relate to recreational cannabis and the workplace, the National Safety Council is conducting free webinars. Both OC and Salisbury Chamber of Commerce have suggested watching webinars on the subject. Check the site out at this link:
