

# OCDC DOWNTOWN LIGHTING PROGRAM

**2021**

# ELIGIBLE AREA FOR PROGRAM

INLET TO 15<sup>TH</sup>  
STREET ALONG  
BOARDWALK AND  
BALTIMORE AVENUE

INLET TO 17<sup>TH</sup>  
STREET ALONG  
PHILADELPHIA  
AVENUE

In order to qualify for the reimbursement:

- Participation is first come/first served basis until funds have been expended
- The business or property must be in the OCDC designated area.
- The light fixture and placement must be LED for energy efficiency, and must comply with Downtown Alley Lighting Program standards and Town of Ocean City standards

The program will reimburse property and business owners up to 50% of the cost of purchase and installation of light fixtures, up to a maximum of \$500 assistance from OCDC.

Procedure for business/property owners interested in participating in this program:

- Meet with OCDC staff to discuss eligibility and guidelines
- Submit application, including an estimate from a licensed electrician
- Application will be reviewed and approved by OCDC staff
- Obtain permit (Town of Ocean City will waive the permit fee)
- Installation
- Reimbursement according to the approved application with proof of payment in full after all work is complete.
